Item 2: Educational Background and Business Experience

Regulatory guidance requires the firm to disclose relevant post-secondary education and professional training for each principal executive and associate of the firm through its advisory brochure or brochure supplement, as well as their business experience for at least the previous five years. As independent financial professionals, the officers and associates of our firm may have multiple industry affiliations so that they are able to provide a broad range of services to their clients; they are not, however, reflective of multiple changes of employment during the referenced timeframe as the noted financial professionals have been associated with the same local office for a minimum of the five year reportable period.

Item 3: Disciplinary Information

Registered investment advisors are required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of each supervised person providing investment advice. No information is applicable to this section. There are no reportable criminal or civil actions, administrative enforcement proceedings, self-regulatory organization enforcement proceedings or any other proceedings applicable to Mr. Brummel.

Item 4: Other Business Activities

Jonathan Brummel has a financial industry affiliated business as an independent insurance agent. Not more than 30% of his time is spent on these activities. From time to time, he offers clients advice or products from

those activities. He may receive separate yet typical compensation in the form of commissions for the sale of insurance products.

These practices represent a conflict of interest because they give Mr. Brummel an incentive to recommend products based on the commission amount received. This conflict is mitigated by the fact that Mr. Brummel has a fiduciary responsibility to place the best interest of the client first and the clients are not required to purchase any products. Clients have the option to purchase these products through another insurance agent of their choosing.

Item 5: Additional Compensation

Mr. Brummel is not compensated for advisory services involving performance-based fees. He is not a senior executive of or insider to an issuer of a security. Our firm also prohibits employees from accepting or receiving additional economic benefit, such as sales awards or other prizes, for providing advisory services to its clients.

Mr. Brummel is not registered nor has an application pending to register as a representative of a futures commission merchant, commodity pool operator, or commodity trading advisor.

Item : Supervision

We supervise Mr. Brummel by requiring that he adhere to our processes and procedures as described in our firm's Code of Ethics and procedural guidelines. We will monitor the advice that Mr. Brummel may provide you by performing the following ongoing reviews:

- Account opening documentation when the relationship is established,
- Daily review of account transactions,
- Annual oversight of your financial situation, objectives, and investment needs, and
- A review of client correspondence on an as needed basis, and
